

WHAT IT IS: This is our new Career Connectors program! As Career Connectors, select Industry Professionals amplify their impact by sharing input and experiences to:

- Inspire teachers to connect their classes with industry
- Encourage other Industry Professionals to give back to the next generation
- Enrich the experience of providing classes with career exposure

THE ROLE: Career Connectors are periodically contacted with an easy opportunity - many take <10 minutes!

Brief Surveys

Answer questions about user experience, skills-based volunteering, and more.

Testimonials

Write reflections about providing students with career exposure and more.

Say it Out Loud

Send a recording or participate on a panel to share your experience.

THE BENEFITS: In addition to the great feeling of making a difference, Career Connectors receive thank yous like swag, gift cards, and more!

These Pathful Connect super-users have participated in 15+ live sessions and impacted students across the nation.

Brenda Neal

Senior Tech Program
Manager AT&T

"This program is a great opportunity to connect, encourage, motivate, and support students and teachers and show we care."

Dr. Marc D. Williams

Executive Leadership SMG
*T-M-T Services
International*

"The program is an opportunity to continue sharing my knowledge database with the next generation. I was blessed to receive a business mentor... I can only imagine if I had someone that shared the expertise me with continuously when I was younger."

Michele Reid

Purchasing Specialist
McLane Company

"Inspiration can come from anywhere. It's exciting to think that someone who hears about my experiences might pick up some inspiration as they traverse their own path."
