

## Managing Your Account

Sign in and go to the resources section under the dashboard, then select **"My Profile"**

Then, click on the **"Edit Profile"** link under your profile picture.

Next, navigate to the left panel to manage your account.

You can **set your preferences** and **change your password** in this section. If you've forgotten your password, you can go back to the login page and select "**Forgot your password?**" to get a link sent to your email address.

**Pro tip:** Check your **preferences** to make sure you are able to receive volunteer recommendations!
