

## Scheduling Changes

If you need to change an upcoming session's schedule or cancel it, please let us know right away and we'll help take care of everything. You can either use the orange **"Need Help?"** button that appears in the lower right corner of any Pathful Connect page, or you can email us at [support@pathfulconnect.com](mailto:support@pathfulconnect.com).

## Industry Chat Content Changes

If you want to modify the content of an upcoming [Industry Chat](#) (e.g. add more details or an attachment), find the Industry Chat by going to **"Sessions"** followed by **"My Sessions"** on the navigation bar to the left, then find the tile with the chat offer you would like to edit and select **"View Details"**.

From there you can **upload documents** on your session page or click on **"Edit"** in the top right corner to make any edits to the content of your presentation.
