

Post Your Volunteerism on Social Media

Here are 5 ways to post your volunteerism:

1. Post about an Upcoming Industry Chat

Let others know about your upcoming Industry Chat so they or their children/students can tune in too!

Below is a sample post, be sure to add the link to your session so they can easily sign up to join. Feel free to add hashtags too! (e.g. #STEM, #careers, etc.)

On [date], I'll be leading a virtual session all about [topic] for [audience age]! Learn more and sign up via @pathfulinc: [session URL]

2. Post About a Recent Session

We'll email you after your session so you can watch and share the recording (read more here). Below is a sample post:
