Goal driven Program Manager on the [Pathful](#) Connect Industry Partner Success Team . Eager about nurturing partner relationships through providing thorough orientation, engagement enhancement tools and one on one assistance to our volunteers across this platform.

With an extensive background in client relations management in both the Hospitality and Supply Chain sector, I've thrived in an environment where my skills and experience in planning, procurement, processes development, proactive monitoring, logistics, coordinating of special events, and organizing - all underlined with the attitude of being of service are valued and needed.

A career exploration enthusiast- passionate about the art (and science) of cooking, building and maintaining genuine connections, and getting the job done. Graduate of the Art Institute of New York City in Culinary/Pastry Arts and Restaurant Management
